**AMENDED JOINT SUBMISSION OF CLAIM CONSTRUCTION CHARTS**

In compliance with the Scheduling Order entered on December 19, 2005, the parties filed a Joint Submission of Claim Construction Charts on May 12, 2006. Since then, the parties have been able to reach agreement on additional claim terms and narrow the number of terms in dispute. As a result, the parties are filing an Amended Joint Submission of Claim Construction Charts with their opening claim construction briefs. Exhibit A hereto contains two claim construction charts. In the first chart, the parties present their respective proposed constructions (and citations to supporting intrinsic evidence) of the terms or phrases of the claims of the patents-in-suit whose constructions are in dispute. In the second chart, the parties present their agreed-upon constructions of other terms or phrases.

The patents in suit are U.S. Patent Nos. 4,826,515 ('515 patent); 4,643,748 ('748 patent); 4,853,008 ('008 patent); and 5,858,038 ('038 patent). The asserted claims are claim no. 14 of the '515 patent, claim nos. 15, 16 and 17 of the '748 patent, claim nos. 1, 2, 3, 7, 11, 23, 24 and 25 of the '008 patent, and claim nos. 1, 2, 3, 7, 13 and 14 of the '038 patent.

Dated: May 26, 2006
